

# Heartbreak Holiday

MKTO

Thank God winter's almost done  
And I'm just getting sober  
And it feels like I'm freezing in the California sun

Christmas almost killed me  
New Year's gone I still bleed  
April Fool's I thought you were the one

Now I'm holding on, for dear life  
Skating through it on thin ice  
And it just sucks how much I'm missing you

(Yeah)

(Baby I hate) I freaking hate  
(Valentine's Day) Valentine's Day  
(I'm feeling this pain) It cuts like a blade when I think about you  
(What can I say?) It's just so late  
(We're playing this game) It's all a charade  
A heartbreak holiday, here without you

Woah oh oh oh  
Woah oh oh oh (heartbreak holiday)  
Woah oh oh oh (heartbreak!)

Oh, I've been deletin' every trace  
Of when we were together,  
But ever since I kissed you I just can't get out the taste  
So I ate your box of chocolates  
Cause I knew you didn't want it  
Be why did I still want you?  
What a waste

Now I'm holdin' on, for dear life  
Skating on it, we're on thin ice  
And it just sucks, how much I'm missing you  
I'm just missing you

(Baby I hate) I freaking hate  
(Valentine's Day) Valentine's Day  
(I'm feeling this pain) It cuts like a blade when I think about you  
(But what can I say?) It's just so late  
(We're playing this game) It's all a charade  
A heartbreak holiday here without you

Woah oh oh oh  
Woah oh oh oh (heartbreak holiday)  
Woah oh oh oh

Well it's a heartbreak holiday  
With you a million miles away  
Another guy, another place  
Stuck without you

I'm on a heartbreak holiday in Hotel California  
You in NYC wishin' I was there up on ya  
Baby you're so right but you left 'cuz I wronged ya

I'm wishing I could change the way I want ya  
But you're long gone

Woah oh oh oh  
Woah oh oh oh  
Woah oh oh oh

(Baby I hate) I freaking hate  
(Valentine's Day) Valentine's Day  
(I'm feeling this pain) It cuts like a blade when I think about you  
(But what can I say?) It's just so late  
(We're playing this game) It's all a charade  
(It's all a game) A heartbreak holiday here without you

Woah oh oh oh  
Woah oh oh oh (heartbreak holiday)  
Woah oh oh oh

I'm thinking about you (I'm thinking about you)  
I'm thinking about you (I'm thinking about you)

Heartbreak holiday

Woah oh oh oh (heartbreak)  
Woah oh oh oh (heartbreak)  
Woah oh oh oh (heartbreak)
