

Wild Boys

Mnemonic

Wild boys, wild boys, wild boys
The wild boys are calling on there way back from the fire
In August moon's surrender to a dust cloud on the rise
Wild boys fallen far from glory reckless and so hungered
On the razors edge you trail because there's murder
By the roadside in a sore afraid new world
They tried to break us looks like they'll try again
Wild boys never lose it, wild boys never chose this way
Wild boys, never close your eyes
Wild boys always shine
You got sirens for their welcome there's bloodstain for your pa
in
And your telephone been ringing while you're dancing in the rai
n
Wild boys wonder where is glory where is all you angels
Now the figureheads have fell
And lovers war with arrows over secrets they could tell
They tried to tame you looks like they'll try again
Wild boys never lose it, wild boys never chose this way
Wild boys, never close your eyes
Wild boys always shine.
