Wild boys, wild boys, wild boys The wild boys are calling on there way back from the fire In August moon's surrender to a dust cloud on the rise Wild boys fallen far from glory reckless and so hungered On the razors edge you trail because there's murder By the roadside in a sore afraid new world They tried to break us looks like they'll try again Wild boys never lose it, wild boys never chose this way Wild boys, never close your eyes Wild boys always shine You got sirens for their welcome there's bloodstain for your pa And your telephone been ringing while you're dancing in the rai Wild boys wonder where is glory where is all you angels Now the figureheads have fell And lovers war with arrows over secrets they could tell They tried to tame you looks like they'll try again Wild boys never lose it, wild boys never chose this way Wild boys, never close your eyes Wild boys always shine.
