## **Believe**

Mo Thugs

Believe, believe me, believe me Believe, just put ur trust in me Believe, believe me, gotta believe me Let me show u love Heaven sent above Close ur eyes and dream Believe Ooooh, I believe every woman Deserves to see every once in life A one-way ticket No fantasies So when u close ur eyes At night The tears u fight I want to let u know Everything's gonna be alright, alright, alright now baby Girl, I only wanna hold u baby Never stressin bout our lovin baby Our experience is beautiful Incredible Lets take it slow Take my hand and believe me baby Our love'll last forever lady Cause u know Everything will be alright Let me show u love Heaven sent above Close ur eyes and dream Believe Let me show u love Heaven sent above Close ur eyes and dream Believe Whoa, babe What will it take For u to realize Its through ur eyes That I can see my destiny? And through ur pretty smile I see ur fears and insecurities Its u and me till eternity And now we're hand in hand And ur my girl And Im ur mine Each day Im thanking God Fulfilled my dreams and fixed ur heart So baby close ur eyes No more tears and no more cries You just gotta believe

Heaven sent above Close ur eyes and dream Believe Let me show u love Heaven sent above Close ur eyes and dream Believe Thugs believe u can achieve ur goal u seek and if u really love (really love ) Get down for ur thang and maintan if u feel enough faith You gotta have a little bit of faith (trust in me) I will be safe and u can't forget to pray Oh yeah, its a struggle sometimes, but theres a lot of people steady going u nder But I aint the one to stumble Me break, no crumble Ready to rumble Fight for the right to unite and be humble People all over the world Follow me Cause I know the ride And I will show u right Stayin on my mission, keepin it focused, u gotsta play by the rules That's why my game paid my dues Went to the top with me trues You snooze, u lose Now u know that Quit actin like u don't care If u wid it, and u prepared, pump ya fist up in the air and holla "Mo Thug Luv, It's My Mo Thug Family" cLet me show u love Heaven sent above Close ur eyes and dream Believe Let me show u love Heaven sent above Close ur eyes and dream Believe
