Riot gal!  
Hey

Who's your lover with nothing to hide?  
Don't like me, a sinner in disguise  
I wrote love songs about you long before  
I even met you, now here I am at your door

'Cause all the time  
I'm thinking 'bout all the things we had  
Oh, but baby, I'll be fine  
Some things are better left behind

Baby, I will always  
I will always love you  
Baby, I will always  
Be your riot gal  
Even though you don't want me to

All I ever wanted was to keep you, baby  
Let me stay with you one last night and I'll promise you that I'll  
I'll go for a swim with my sisters and sisters  
And I'll be better for a while  
(Better)

'Cause all the time  
I'm thinking 'bout all the things we had  
Oh, but as time goes by  
Some things are much better left behind

Baby, I will always  
I will always love you  
Baby, I will always  
Be your riot gal  
Even though you don't want me to  
Baby, I will always  
I will always love you  
Baby, I will always  
Be in love with you  
Even though you don't want me to

(Riot gal!)  
(Hey!)  
(Riot gal!)  
(Hey! Hey, hey!)  
All the time  
I'm thinking 'bout all the things we had  
Oh, but, baby, I'll be fine  
Some things are much better left behind

Baby, I will always  
I will always love you  
Baby, I will always  
Be your riot gal  
Even though you don't want me to  
Baby, I will always  
I will always love you

Baby, I will always  
Be in love with you  
Even though you don't want me to

Now your eyes look strange  
And the sky looks strange  
Even the streets look strange  
And these times in life, oh  
They never really change, no
