MØ

When I'm up in the morning
When I'm up at dawn
I miss you
When I'm up in the morning
When I'm up at dawn
I miss all yours

Have no cares in the world, have no fears, have no money, ah
Live the life like we're rich, super rich, and the honey, ah (hey)
What we had, was it good, I will always remember, ah
And now we're changing direction, I'll never forget ya (hey)

I, I wanna elevate
Wanna drive into the night
You always going left
And I'm always going right
We, we gotta take a break
And I promise it's alright
It's your life

And it's all yours
Dance, to the beat of your drum
To the beat of your drum
To the beat of your drum
To the beat of your heart
To the beat of your drum
To the beat of your drum
To the beat of your heart
To the beat of your heart
To the beat of your heart
To the beat of your drum

If you know me then I'm here if you want it, ah (hey)
Got my phone when you're low, got the pain in your stomach, ah (hey)
Cause what we had, was it good, I will always remember, ah (hey)
And now we're changing direction, I'll never forget ya
Hella, hella, hella, hey

I, I wanna elevate
Wanna drive into the night
You always going left
And I'm always going right
We, we gotta take a break
And I promise it's alright

To the beat of your drum
To the beat of your drum
To the beat of your heart
