

Red in the Grey

MØ

Warrior, your venom is erotic but wrong
I know the void's been evil
But songs are still on the radio, to go
To let us know we're not alone

Gaia is grey, and I'm a grisly one
The dream's got a grab on me
And I'm in too deep
I can't hold on to your touch
But I remember how it was

Every night was cold as I
So you hold me close to your heart
Mine is back
I wanna go, I wanna go back
Every night was cold as I
So you hold me close to your heart
Red in the grey
I wanna go, I wanna go
Back to you someday

Warrior, like you're the one having no fear
In the veneer, you hear the songs and the spears
But I know how hard it is to choose your battles

Searching for the mark, unwind the pages
And the dream's got a grab on me
And I'm in too deep
I can't hold on to your touch
But I remember how it was

Pretty lilies, golden stars
We're surrounded by them
In the house of our hearts
Pretty lilies, dreams were all it was
And I had to run from your love

Every night was cold as I
So you hold me close to your heart
Mine is back
I wanna go, I wanna go back
Every night was cold as I
So you hold me close to your heart
Red in the grey
I wanna go, I wanna go
Back to you someday
