

Taking You Off Here

Mobb Deep

Yea

Yea

Lock the corridor, call the coroner
The drama's over, can't you see the euphoria?
Warrior, your job is getting cornier and cornier
We don't play games, never will be, ever toy wit ya
Came with you niggas, show my hands to them niggas
Take him for a swim, throw his ass in the river
My Lawd yall bitches all throw it to me though
Never banged out, we ain't launch torpedo
Nigga still on vapor, he report to PO
Then jump in the Lamb and we off to the show
Play my cards right, never go see a ho
Catch me at the compromising like ooh shit
Bitch, what you got me into?
My goons will be here with them metal utensils
Like pop, pop pop pop pop
Little heads screams all you hear is dem shots

I'm taking you off here,
Say he gotta get God
Nigga violator so he gotta get God
Fascinated, niggas get body that shot
Handle that shit off top
Taking you off here
Say he gotta get God
Nigga violator so he gotta get God
Fascinated, niggas get body that shot
Handle that shit off top
I'm taking you off here

Don't bring stiff bitch niggas around me
Nigga bleed just like us, I flood the cold street wit yo
Hot blood, it's mad now it steamin
Yo soul done lift off right here on the scene and
The ghost of a bitch ass nigga, Casper
Nigga I'm the worst demon you could ever ask for
Don't conjure me up
You're going to hell like I put a bomb to yo trunk
Insidious when I creep on a nigga luff
Machine gun, .3 got gunpowder lungs
Power ball, money off rap, baskin
In this lime we like come and get yo ass whipped
On cameras, it's no tappin out on that concrete canvass
We don't do the body locks
Fuck a sleepin hoe, yo sleepin throw my headshot
My gun don't premature nut
It bust at the exact time it supposed to bust

I'm taking you off here,
Say he gotta get God
Nigga violator so he gotta get God
Fascinated, niggas get body that shot
Handle that shit off top
Taking you off here
Say he gotta get God

Nigga violator so he gotta get God
Fascinated, niggas get body that shot
Handle that shit off top
I'm taking you off here
