```
Awake
a dream in the distance
a scream
Advanced
entranced taking only a chance.
In and out my mind goes
In and out it goes to show me its cruel
My trust in you - Berlin is drowing me.
In and out my mind goes
In and out it goes to show me its cruel
My trust in you - drowning in Berlin.
Enraged
incensed
there's no reason no sense.
Awake
a dream in the distance
a scream.
In and out my mind goes
Sind Sie allein in Berlin - sind Sie allein in Berlin?
In and out my mind goes
In and out my mind goes
```
