Oh when you had the time to give Oh when I had a life to live But my mind was slow But my mind was slow

But my mind was slow [34x]

Oh when you had the time to give Oh when I had a life to live But my mind was slow But my mind was slow

Oh when you want, you want from me, Oh when you want, you want from me, But my mind was slow
But my mind was slow
Yeah

Oh when you had the time to give Oh when I had a life to live But my mind was slow But my mind was slow

Oh when you want, you want from me, Oh when you want, you want from me, But my mind was slow
But my mind was slow
Yeah

(But my mind was slow)
(But my mind was slow)
Yeah
(But my mind was slow) [5x]

Oh when you had the time to give Oh when I had a life to live But my mind was slow But my mind was slow

Oh when you want, you want from me, Oh when you want, you want from me, But my mind was slow
But my mind was slow
Yeah

Oh when you had the time to give Oh when I had a life to live But my mind was slow But my mind was slow

Oh when you want, you want from me, Oh when you want, you want from me, But my mind was slow
But my mind was slow
Yeah

But my mind was slow
But my mind was slow...
