## Alice

My head keeps turnin' turnin' Like Russian roulette Thoughts are like bullets I cannot do this...do this... do this... [2x] How do I feel like I'm Alright probably going home Gonna make it the same Gonna make it my love's time... my love's time... [2x] This is the sun world Can you become girl here in the fun world? How do I feel like I'm Having tea with alice Imbalance into my channel Tracking through the heart of the devil Severed from your lovin' Where am I supposed ta With padded rooms like a sofa They told me it's for my own good My voices on my shoulder Plan it Let the vultures divulgin' To keep revolvin' the spot Works on my focus My culture, but no one knows it This is why you focusin' mostly upon my my own shit.

Cause this is the right world This is the wrong world This is the one world This is the dark world This is the sun world

Alright probably going home Gonna make it the same Gonna make it my love's time...make it my love's time...

Psychosomatic Imagine having shadows swooping inside us And mirrors cracking The shudders was a trappin

Rapid up on the mirror I'm jealous chemically

?? My thoughts are spinnin' from brellas ?? to higher levels

I'm troublin' to talk to no one And no one told there's no one Happening in the volcom

I told you I'm not the culprit I'm the only one you notice Walking across the ocean makes no super ?? im in a place that you noticed im gonna win it to ma marbles
