

Going Wrong

Moby

Where were you when I was lonesome?
Locked away with freezing cold
Someone flying only stolen
I can't tell this light so old

I don't want to swim the ocean
I don't want to fight the tide
I don't want to swim forever
When it's cold I'd like to die

What was that my sweet sweet nothing?
I can't hear you through the fog
If I holler let me go
If I falter let me know

I don't want to swim the ocean
I don't want to fight the tide
I don't want to swim forever
When it's cold I'd like to die

I don't want to swim forever
I don't want to fight the tide
I don't want to swim the ocean
When it's cold I'd like to die

I don't want to swim the ocean
I don't want to fight the tide
