

## Going Wrong

Moby

Where were you when I was lonesome?  
Locked away with freezing cold  
Someone flying only stolen  
I can't tell this light so old

I don't want to swim the ocean  
I don't want to fight the tide  
I don't want to swim forever  
When it's cold I'd like to die

What was that my sweet sweet nothing?  
I can't hear you through the fog  
If I holler let me go  
If I falter let me know

I don't want to swim the ocean  
I don't want to fight the tide  
I don't want to swim forever  
When it's cold I'd like to die

I don't want to swim forever  
I don't want to fight the tide  
I don't want to swim the ocean  
When it's cold I'd like to die

I don't want to swim the ocean  
I don't want to fight the tide
