```
Where were you when I was lonesome?
Locked away with freezing cold
Someone flying only stolen
I can't tell this light so old
```

```
I don't want to swim the ocean I don't want to fight the tide I don't want to swim forever When it's cold I'd like to die
```

What was that my sweet sweet nothing? I can't hear you through the fog If I holler let me go If I falter let me know

```
I don't want to swim the ocean I don't want to fight the tide I don't want to swim forever When it's cold I'd like to die
```

```
I don't want to swim forever
I don't want to fight the tide
I don't want to swim the ocean
When it's cold I'd like to die
```

```
I don't want to swim the ocean I don't want to figh the tide
```
