

## In This World

**Moby**

Lordy don't leave me  
All by myself

Good time's the devil  
I'm a force of heaven

Lordy don't leave me  
All by myself

So many time's I'm down  
Down down

With the ground

Lordy don't leave me  
All by myself

Whoa, in this world

Lordy don't leave me  
All by myself
