

# Stella Maris

Moby

[Latin:]

Ave maris stella,  
Dei Mater alma  
Atque semper virgo  
Felix caeli porta

Sumens illud ave  
Gabrielis ore  
Funda nos in pace  
Mutans Evae nomen

Solve vincla reis  
Profer lumen caecis  
Mala nostra pelle  
Bona cuncta posce

Monstra te esse matrem  
Sumat per te preces  
Qui pro nobis natus  
Tulit esse tuus

Virgo singularis  
Inter omnes mitis  
Nos culpis solutos  
Mites fac et castos

Vitam praesta puram  
Iter para tutum  
Ut videntes Jesum  
Semper collaetemur

Sit laus Deo Patri  
Summo Christo decus  
Spiritui sancto  
Tribus honor unus  
Amen.

[English Translation:]

Hail, Star of the sea,  
Great Mother of God  
and always a Virgin,  
joyous gate of Heaven.

By welcoming that "Hail"  
from Gabriel's mouth,  
grant us peace,  
changing Eve's fame.

Undo wicked people's bad deeds,  
give light to the blind,  
drive away our pains,  
give us every good.

Show Thyself to be a Mother,  
let this prayer be welcomed through Thee

by He who was born for us  
and made Himself Thy Son.

Holiest Virgin unique,  
among the humblest,  
forgive our trespasses,  
and make us humble and chaste.

Give us a pure life,  
guard our paths,  
let us see Jesus,  
always joyful.

All praise be to God the Father,  
to the Highest Christ, the Lord,  
and to the Holy Ghost,  
only honor to the Trinity.  
Amen.
