Mod Sun

(Did it again last night)

Try your best, be happy as fuck  
Its hard to reach sometimes  
ya know cause shit be bad  
MOD SUN couldn't have said it no better  
ya know what I'm sayin' like happy as fuck  
try your best to celebrate life if you can,  
and if you can't try your best to get to that point  
place where I'm tryna get, happy as fuck,  
I ain't all the way there yet but I'm gettin' there.  
Thank you, MOD SUN.
