

I think everyone is beautiful just keepin it real.  
My favourite shirt is my skin

My favourite shirt is my skin,  
I'm in love with myself  
Everytime I look into the mirror (whoo) I melt

I think everyone is beautiful just keepin it real  
My favourite shirt is my skin  
I'm in love with myself  
Everytime I look into the mirror (whoo)  
Right there  
My favourite shirt is my skin  
I think that everyone is beautiful just keepin it real

Every flaw is really beauty owned by nobody else.  
I think everyone is beautiful  
I think everyone is beautiful  
Every flaw is really beauty owned by nobody else  
I think everyone is beautiful wh-when they smile
