

# Mushrooms

Mod Sun

These are the days, of wonder and miracle  
Half stoned half drunk, I really can't feel it though  
Started confused and ended up spiritual

Now everything's different, my world has gone upside down  
All of this distance, don't know what I'm talking about  
My friend's think I lost it

And so between me and you, I'm telling the truth  
I think the government is lying, to me and to you  
And that's a damn shame (damn shame)

Cause I'm on mushrooms  
Mushrooms  
I guess I don't feel it  
All the mushrooms

And now I'm floating in the ocean, with no sign of land  
Lost out at sea, finding out who I am  
(I am myself) [x6]

And so between me and you, I'm telling the truth  
I think the government is lying, to me and to you  
And that's a damn shame (damn shame)

Cause I'm on mushrooms  
Mushrooms  
I guess I don't feel it  
All the mushrooms

Cause I'm on mushrooms  
Mushrooms  
I guess I don't feel it  
It might explain all the madness
