

How Do I Tell A Girl I Want To Kiss Her?

Modern Baseball

She smiles bites her lips and turns away, from that point on she's not just
Another face. She turns back to him with those hazel eyes, there is no
Point of return she's all that's on his mind.

But he doesn't know what she's been through before; puts herself
on the
Front lines with no reward and takes care everyone else before
herself.

She's on his mind day and night, thinks he takes her for granted but to her
Surprise, he needs her more than she needs him. Won't fight, no
just walks
Away. Won't tell his secrets just keeps them safe. That's why she
's, she's
Not just another face.

So now her picture is in his head and she's all he talks about
to his
Friends. He acts like it's nothing but we all know the truth. But she
Thinks she's been through it all before, but this time it's different and
She can't ignore those signs that he's sending cause there's nothing but
Proof.

He's thinking "hold my hand, hold it tight whether the weather
is cold
Tonight. I promise it will be alright"

She's on his mind day and night, thinks he takes her for granted but to her
Surprise, he needs her more than she needs him. Won't fight, no
just walks
Away. Won't tell his secrets just keeps them safe. That's why she
's, she's
Not just another face.

She catches on to all his signs. A change of pace for her but it's fine,
She's not used to it but he goes the distance for her too. She is all he
Needs and desires and it is about that she acquired, someone who knows
She's not a fool.

She's on his mind day and night, thinks he takes her for granted but to her
Surprise, he needs her more than she needs him. Won't fight, no
just walks
Away. Won't tell his secrets just keeps them safe. That's why she
's, she's
Not just another face.
