

Pillow Lips

Modern English

I have to ask you
Do you want this to be true?
Is there method in all my madness
Or as we flower will we die in full bloom

You're the only thing that keeps me going
With your pillow lips, pillow lips

As we move through cruel waters
Give me strength to be by your side
It's so difficult sometimes to be human
The years they leave us your side

You're the only thing that keeps me going
With your pillow lips, pillow lips

You know I won't give in
You know I won't give in
Pillow lips, pillow lips

Pillow lips, pillow lips
