

# The Token Man

Modern English

What do you feel when you see  
The token man in passing crowds?  
A rush of thought and imagery  
Do you turn your eyes away?  
Does it leave you all full of options  
Or is there nothing to think about?  
Another lost man to join the millions  
Fill him up, he will respond  
Fill him up, he will respond

Fill him up, he will respond

Cuts him down  
Catch the clown  
Catch the clown  
Drag him down  
Dragged him down  
Who is he to want to think?  
Who is he to want to want?  
He's no sensation  
He must be wrong  
Drag him down  
No place to think, no time to act
