Anything Is Possible

Modern Talking

Stay, please stay with me tonight And all the stars up in my heaven They're shining bright

Oh anything is possible I know it-if you stay Oh I will catch you if you fall, oh baby baby

I know it hurts, but it hurts me more and more I hear your heartbeat baby, louder than before And when I cry, I cry for you Cause I know you are the only And when I die, I die for you Cause I know your heart is lonely

Oh anything is possible

I know it—if you stay

I will catch you if you fall, oh baby baby

Oh anything is possible

Oh I know it from my heart

I will try—oh if you call

Don't leave me girl, don't leave me here tonight

(Oh I'm so lonely)

Don't leave me girl and all the feeling's right

(Oh you're the only)

I know it hurts you, you are walking out my dreams
You set my heart on fire and now you're gone it seems
My dying heart, it cries for you
Cause I know you are my only
Don't break apart, can't let you go
Cause I know my heart's lonely
