

Don't Play With My Heart

Modern Talking

Don't play...

Don't play with my heart

You can stop my heart

Love is here and now you're gone

Oh please, don't tear apart

Baby, I am so alone

We're looking on the same stars

And on the same moon

What have I done to you , lady

Oh, wherever you are - please come back soon

Can't you see I'm waiting for you

Oh, don't play with my heart

Don't do that again

If you break it apart - I cannot be your friend

Don't play with my heart

Again and again

If you tear it apart

How this love will end

Don't play (playing tricks with my heart)

Don't play (playing tricks with my heart)

Don't play (playing tricks with my heart)

Don't play (playing tricks with my heart)

Oh, you know it's true

I gave you every single day

Now, it's up to you

Baby, please don't go away

Oh, we'll find paradise

And we'll lose it all

What have I done to you, baby

Don't tell me no lies

Just give me a call

Can't you see I'm waiting for you
