

Part time lover

Modern Talking

Oh anytime and anywhere
I'll give you all my heart I swear
And when your love begins to turn
I light the fire, and it burns
Oh all I want is everything
But I can't buy you diamond ring
Love will make your dreams come true
But one thing I don't wanna do

I don't wanna be your part time lover
I don't wanna play a silly games
Oh don't tell me baby there's no other
I don't wanna die in sweet, sweet flames
I don't wanna be your part time lover
I don't wanna play a silly games
I don't wanna be your special brother
Again, again, again

Oh lonely days and lonely nights
I'm waiting for your call, that's right
Oh should I stay or should I go
There is a place, oh girl I know
Don't waiting for a star to fall
Oh hundred times I tried to call
Oh baby why you telling lies
And try to break my paradise
