

There's Something in the Air

Modern Talking

I know, I know, your love
Is like the ocean
I know, for sure, your head is in the clouds, my love
Oh I know, your love, is like a sweet devotion
Baby, baby tell me, tell me, what's love is all about

There's something in the air
Oh be...be...baby, your love is so unfair
Oh be...be...baby
There's something in the air, something in the air
Baby but your love is crazy, baby I don't care
There's something in the air tonight

Baby but your love will make it always right
Baby there's something in the air tonight
Oh I can feel it
I know we make a night, we will remember, oh no
I know we turn the night, in million days, my love
I know for sure it like summer in December
Baby, baby, nobody knows, where is the perfect way
