We Take THe Chance

Modern Talking

We'll take the chance - we will again It's our dream and you will see - we'll go hand in hand

I know we're here but I feel - we're not alone Millions of people are waiting - in their homes See all the winners and losers - they're always in our hearts Oh, everybody's waiting - waiting for a start....

We'll take the chance - we'll win again I know my dream - it will come true We'll take the chance - Don't lose the game It's a game for me and you We'll take the chance - we'll win again I know we're going - hand in hand We'll take the chance - and we are friends For a game that never ends

I know we're high and we're low and just between We're feeling the fire of hearts - like a dream We're living in deep emotion - we're fighting with our hearts Oh, everybody's waiting - waiting for a start
