

# Wild Wild Water

Modern Talking

Sail across the universe  
All the magic here on earth  
Slipping and sliding  
Rolling and riding to you, my love  
Summer breeze reminded me love was wild and love was free  
Love was wilde and love was free  
Memories were hiding  
Baby, come riding to me

Wild, wild water  
Brings me back to you (over and over)  
Wild, wild water  
Babe, still missing you (over and over)

Wild, wild water  
Freeze the wind in summersky  
Wild, wild water  
Expect that love that just wo'nt die

Silverwater evening tide  
Brings that girl back to my side  
Slipping and sliding  
Rolling and writing to you, my love  
You will be coming back some day  
True, we gonna come what may  
Memories were hiding  
Baby, come home riding to me
