Modest Mouse

It's the big show tongue tip tied to the roof of my mouth bad n

angels come rushin' out.
I don't know but I been told you never die and you never grow o

I guess you guessed that I'd catch hell. I just caught a cold b

feelin well.
It's the big show it's big show
Looked like we were photographed at gun point so I had to laugh
.
Ha ha.
You said "I hope you live forever." Don't you wish that on me.
You said "don't be clever."
I don't know but I been told you never die and you never grow o
ld.
It's the big show. It's the big show!
Three inch horses watching them drown (in the tar pits).
We're kneeling down.
They see us talking out both sides of our mouths.
