

## Call to Dial a Song

**Modest Mouse**

Well, I might be a lot of things but I won't be ignored  
When I see you coming, the chariots of the Lord  
Well, the pale horses are riding and the Judgment Day's at hand  
And I'm waiting for the good Lord to take me by the hand

Hey Isaac, this is Spencer  
Um, I'm calling about, uh, going to Montana  
Um, so you need to give me a ring here  
And so we can work out some of those details  
And stuff 'cause it could get kind of hairy or whatever  
So, uh, give me a call, alright then, bye, bye
