

## Red Hand Case

Modest Mouse

Blame it on the red hand's weight  
Get the heath a little fed up  
Oh no!  
Thank you for closing my cage  
I need a carton cigarettes to stay shut up

Blame it on the red hand's weight  
Get the heath a little fed up  
Oh no!  
See if you would open my cage  
I need a carton cigarettes to stay shut up

I guess that's just the red hand's fate  
How is it I have stayed shut up? Oh no!  
Oh no!
