

## Crumble

## Modwheelmood

Take your time  
You will remember us  
Don't be late  
You don't be late with us  
Need to try  
You will remember us  
Here today  
You live today

Saturday is almost over  
Getting high on stormy weather  
Something to remember  
Sunny day can make you crumble  
Ask me why you don't feel better  
Almost two feet underwater  
Maybe you'll remember  
Sunny days just make you crumble

Take the time  
Your place is here with us  
Don't be afraid  
It will get easier  
Come inside  
You have to sleep with us  
It's not too late  
Don't be afraid

Saturday is almost over  
Getting high on stormy weather  
Something to remember  
Sunny day can make you crumble  
Ask me why you won't feel better  
Almost ten feet underwater  
No-one will remember  
A rainy day lasts forever  
Dream on  
Dream on  
Dream on  
Goodbye summertime

Crumble  
Stumble  
Hollow  
Swallow

Saturday is almost over  
Getting high on stormy weather  
Something to remember  
Sunny days just make you crumble  
Ask me why you won't feel better  
Almost ten feet underwater  
Remember  
Goodbye summertime
