Gonna Honky Tonk Right Out On You

Moe Bandy

Lately I've been through some heavy thinkin' I've about decided what to do You're doin' things to make me think of drinkin' Gonna honky tonk right out on you.

I guess I'll go back there to where you found me Cause girl you've turned so cold I'm turnin' blue I'll find someone who wants their arms around me Gonna honky tonk right out on you.

Now if you ever want to know The reason why I'm gone The days have been gettin' shorter And the nights are much too long.

Guess you must have been playgirl slummin' Maybe I was only somethin' new There'll be someone glad to see me comin' When I honk tonk right out on you.

When I honk tonk right out on you...
