

# I Could Never Be Ashamed Of You

**Moe Bandy**

Everybody says you let me down I should be ashamed to take you  
round  
Makes no difference what you used to do darling I could never b  
e ashamed of you  
Maybe you were reckless yesterday but together we can find a br  
ighter way  
In my heart I know that you'll come true darling I could never  
be ashamed of you

All the happiness I've ever known came the day you said you'd b  
e my own  
And it matters not what we go through darling I could never be  
ashamed of you  
Maybe you've been cheated in the past and perhaps those memorie  
s will always last  
Even though you prove to be untrue darling I could never be ash  
amed of you  
Darling I could never be ashamed of you
