

Man Of Means

Moe Bandy

You can be believin' I'm a man of means
Don't let yourself be fooled by these boots and western jeans
I'll wear what I like to just like kings and queens do
I might be broke but it don't take green to be a man of means.

I'm a man of means I mean what I say
And I only say exactly what I mean
I've got all I need to get me through the squeeze
I'm here to say I'm mean enough to stay a man of means.

If you see me smilin' when the times get lean
It's cause I'm recallin' the good times I have seen
I'll do what I have to with what I've got I'll make do
I always have I know what it means to be a man of means.

I'm a man of means I mean what I say
And I only say exactly what I mean
I've got all I need to get me through the squeeze
I'm here to say I'm mean enough to stay a man of means.

I'm here to say I'm mean enough to stay a man of means...
