

# Mind Your Own Business

Moe Bandy

Well if the wife and I are fussin' brother that's our right  
Cause me and that sweet woman's got a licence to fight  
Why don't you mind your own business mind your own business  
Well if you mind your own business then you won't be minding mine

Well I got a little gal she wears her hair up high  
The boys all whistle when she walks by  
Why don't you mind your own business mind your own business  
Well if you mind your own business then you won't be minding mine

Oh the woman on the party lines a nosy thing  
She pick up her receiver when she knows it's my ring  
Why don't you mind your own business mind your own business  
Well if you mind your own business then you won't be minding mine

If I wanna honky tonk around till two or three  
Now brother that's my headache don't you worry bout me  
Why don't you mind your own business mind your own business  
Well if you mind your own business then you won't be minding mine

I might tell a lotta stories that may not be true  
But I can get to heaven just as easy as you  
Why don't you mind your own business mind your own business  
Well if you mind your own business then you won't be minding mine

Mindin' other people's business seems to be high tone  
But I got all that I can do just minding my own  
Why don't you mind your own business (mind your own business)  
Mind your own business (mind your own business)  
Well if you mind your own business then you won't be minding mine  
Yeah if you mind your own business then you won't be minding mine
