

One Of A Kind

Moe Bandy

One of a kind love affair is
The kind of love that you read about in a fairy tale
Like the sun that shines on a rainy day, it's a cloud of love

One of a kind love affair is
When your down is up and your up is down, but love stays around
When you know you're right but you got to make a little sacrifice
You make it for love, make it for love

I never thought the day would come
She would leave without goodbye
She wrote a line or two upon the wall
Said I'm leaving you, and I love you too
And to this very day I can never say a discouraging word
Because I love you.

One of a kind love affair is
When you hate to say I told you so, but you got to go
There won't be a fight 'cause you're love is right, but you're
leaving wrong

One of a kind love affair is
When you treat her nice, but you find you have to pay the price
And you know you're right but you got to make a little sacrifice
You make it for love.

One of a kind love affair yeah
One of a kind love affair yeah.
