

# Wound Time Can't Erase

Moe Bandy

Have you found since you turned me down  
The one that you've been searching for  
Are you glad that you made me sad  
You know I vowed to love you ever more.

What did you have in mind when you broke this heart of mine  
And are you laughing in my face  
Darling what did I do when you said we were through  
You left a wound time can't erase.

Tell me dear are you satisfied  
To be foot loose and fancy free  
Is it power you won or the things you have done  
What you gained I guess I'll never see.

What did you have in mind when you broke this heart of mine  
And are you laughing in my face  
Darling what did I do when you said we were through  
You left a wound time can't erase...
