

# You've Got A Lovin' Comin'

**Moe Bandy**

Darlin' I finally got myself together  
God only knows you've waited long enough  
And I just want to say that I love you  
And honey this phone ain't all I'm hangin' up.

Darlin' you've got a lovin' comin', you deserve it woman  
That's one thing I never gave before  
You've got a lovin' comin' one that's been a long time comin'  
You won't have to wonder what love is anymore.

(Do do do do.)

You don't have to ask if I'm lonely  
Honey you know I wouldn't be making this call  
You won't have to wonder if I'm missing you  
Woman you'll know it the minute I get home.

Darlin' you've got a lovin' comin', you deserve it woman  
That's one thing I never gave before  
You've got a lovin' comin' one that's been a long time comin'  
You won't have to wonder what love is anymore...
