Captain America

Captain Captain America said you gotta be like me Or you're gon na wind up dead last At the end of your rope Flat broke Down an d tired You sleepy head Won't you go to bed Let me run your lif e Lies

Clark Kent ran for president No one knew about the secrets lock ed in his head Friends tried to take his life Accusations flew Flew like Kryptonite Clark still looking good What you gonna sa y To make everything alright Lies

May be right May be wrong I'm in the middle anyway May be right May be wrong I'm in the middle anyway Stuck in the middle anyw ay

Buckshot shooter Had a realm of fun With a smoking gun Heard ar ound the world What a War of the Worlds What a wonderful way to wage Suicide Lies! Pay your fine Do your time Let me run your life Lies

May be right May be wrong I'm in the middle anyway May be right May be wrong I'm in the middle anyway Stuck in the middle anyw ay Right in the middle Dead in the middle anyway

Captive America read I gotta be like you With a bubble in your bed Buzzin' your telephone Like you're not at home Home on the range Bread and corn fed Won't you got to bed Let me run your l ife Lies

May be right May be wrong I'm in the middle anyway May be right May be wrong I'm in the middle anyway May be right May be wron g I'm in the middle anyway May be right May be wrong I'm in the middle anyway Stuck in the middle Right in the middle Dead in the middle anyway
