

Anybody Out There?

Mötley Crüe

want to be your dog
want to be your man
Let's break the
Speed of sound
Cause we're goin'
Way too fast

Lookin' for love??
Lookin' for a lover
Let me ask ya
Is there anybody out there???

I'm gonna die
You're gonna die
We gotta live for tonight
'Cause we're runnin'
Out of time
Lookin' for a lover??
Let me ask ya
Is anybody out there??????

want to be your dog
want to be your man
Let's break the
Speed of sound
Cause we're goin'
Way too fast
Lookin' for a lover
Let me ask ya...
Anybody out there??????
