

Brandon

Mötley Crüe

You bring those tears into my
Eyes so well
I've been waiting
For this day so long
Brandon I love you, you are
The one brandon my son

You run around
And chase the clouds
I only want you
To be yourself
Forget me not
You're all I've got
As you can see you are the
One, brandon my son

Your mother gave birth to
You with love inside
She had candlelight and
Songs of life
Brandon I love you, I love her
She is your mom

True love is ours
Nobody else
I only want you to be
Yourself
And when I'm gone
Don't cry for me

We'll always be one...you are
My son, you are the one...you
Are the one
