Brandon

Mötley Crüe

You bring those tears into my Eyes so well I've been waiting For this day so long Brandon I love you, you are The one brandon my son

You run around And chase the clouds I only want you To be yourself Forget me not You're all I've got As you can see you are the One, brandon my son

Your mother gave birth to You with love inside She had candlelight and Songs of life Brandon I love you, I love her She is your mom

True love is ours Nobody else I only want you to be Yourself And when I'm gone Don't cry for me

We'll always be one...you are My son, you are the one...you Are the one
