

Come on and Dance

Mötley Crüe

Took my love
Into overdrive
Cutom pink
Tonight you'll pay the price

When she's hot
Well damn she's hot
Electric love
Like sandra dee

Should have ssen her dance

Come on and dance
Come on baby
Come on and dance

Fast and slick well she's cool and clean
In a pepsI sheen
She's a leather tease

When she's on top
Well, you can't be stopped
Watch her scream
Watch her suck you clean

And you should've seen her dance
(chorus)
You should've seen her dance
Come-on-and
Come on and dance
