

# Don't Go Away Mad (Just Go Away)

Mötley Crüe

We could sail away  
Or catch a freight train  
Or a rocketship into outer space  
Nothin' left to do  
Too many things were said  
To ever make it feel  
Like yesterday did

Seasons must change  
Separate paths, separate ways  
If we blame it on anything  
Let's blame it on the rain

I knew it all along  
I'd have to write this song  
Too young to fall in love  
Guess we knew it all along

That's alright, that's okay  
We were walkin' through some youth  
Smilin' through the pain  
That's alright, that's okay  
Let's turn the page

My friends called today  
Down from L.A.  
They were shooting pool all night  
Sleeping half of the day  
They said I could crash  
If I could find my own way  
I told them you were leaving  
On a bus to go away

That's alright, that's okay  
We were two kids in love  
Trying to find our way  
That's alright, that's okay  
Held our dreams in our hands  
Let our minds run away

That's alright, now that's okay  
We were walkin' through some youth  
Smilin' through the pain  
That's alright, let's turn the page  
And remember what I say girl  
And it goes this way

Girl, don't go away mad  
Girl, just go away  
Girl, don't go away mad  
Now girl, just go away  
Here we go

Don't go away mad  
I don't want you to stay, yeah  
Come on, girl  
I'll say it one more time

Girl, don't go away mad  
Girl, just go away  
Girl, don't go away mad  
Girl, just go away yeah, yeah  
Girl, don't go away mad  
Girl, just go away, yeah  
Girl, don't go away mad  
Girl, just go away
