Raise Your Hands to Rock

Mötley Crüe

Sometimes I feel turned around And upside down And sometimes maybe I drink Too much But my heart's still in touch

I remember standing tall telling you I'm gonna be a rock-n-roll star When someone said "sit down. boy" "you already are"

So raise your hands to rock (rock) Uh-huh

Summetime was always right Just me and you Sixteen and dealing with Those summertime blues

I was young and restless Living on the edge of a dream When someone somewhere said "ya just gotta believe"

And raise your hands to rock (rock)
