

# Shout at the Devil

Mötley Crüe

Shout shout shout  
Shout shout shout  
Shout at the devil

He's the wolf screaming lonely in the night  
He's the blood stain on the stage  
He's the tear in your eye  
Been tempted by his lie  
He's the knife in your back  
He's rage

He's the razor to the knife  
Oh, lonely is the night  
My heads spinning round and round  
But in the seasons of wither  
We'll stand and we'll deliver  
Be strong... and rock hard

Shout shout shout  
Shout at the devil  
Shout shout shout

He'll be the love in your eyes  
He'll be the blood between your thighs  
And then have you cry for more.  
We put your strength to the test  
We put the thrill back in death  
Sure you've heard it all before

I'll be the risk in the kiss  
I'll be the anger on your lips  
And you'll run scared for the door  
But in seasons of wither  
We'll stand and we'll deliver  
Be strong... and rock hard

Shout shout shout  
Shout at the devil  
Shout shout shout
