

## Sinners & Saints

Mötley Crüe

She's built for speed  
Racin Machine  
She's in the driver's seat  
Feel her shift the gears  
I like to fill her up  
I like to fill her with sin  
Drive her straight to the top  
There and back again  
Hey hey  
She's A Sinner  
She's A Sinner  
Sinner  
She's A Sinner  
She Kicks In Overdrive  
Her Engine's Mile For Miles  
So You Don't Even Bother Worry  
She's Fast All The Time  
Love's Got Wheels  
Comes With The Deal  
Custom Grip Specialty  
And T stands For Thrill  
Hey Hey  
She's A Sinner  
She's A Sinner  
Sinner  
She's A Sinner  
She's a Sight Man  
She's a Bloody Scream  
I Start Closin My Eyes  
She's In My Dreams  
She's Half A Thrill  
I'm A Fallen Angel  
She'll Set Up A Kill  
I'm A Saint

She's A Sinner
