

## Slice of Your Pie

Mötley Crüe

Tattoo crawlin' down her leg, so sexy  
So young...ever get caught  
They'll arrest me  
School girl, studied up well on hoochie coochie  
Lick lips, kitten with a whip, so undress me

Undress me

Hey, pretty pretty  
With the sweet sweet eyes order me  
Up another  
Slice of your pie  
Whiplash, I never looked at you in  
High school  
Hot child, always walk behind you for the rear view  
Rear view  
Good god, baby, baby blow my fuse when you  
Walk this way  
Nineteen, seductive ballerina, so trashy, trashy

Hey, pretty pretty with the sweet  
Sweet eyes  
Order me up another slice of your pie  
(slice of my pie)  
Hey, pretty pretty from across the room  
Got something sticky sweet for you  
Order me up another slice of you  
Slice of you

Hey pretty pretty from across the room  
Got something sticky sweet for you  
(slice of my pie)  
Hey pretty pretty with the sweet  
Sweet eyes  
I'm guaranteed to satisfy  
Just one wish before I die...  
Order me up another slice of your pie  
Pretty pretty
