

Take Me to the Top

Mötley Crüe

Don't you know, know, know
It's a violation
I still hear you saying
Such a perfect, perfect night
No, no, no fight all temptation
Well, in a black hearted alley fight
I'm screaming
Take me to the heights tonight
Take me to the top
Take me to the top
Too many times
Victim accusation
No, you don't have to take it like that
A sheer, sheer heart attack
No, no noit's no realization
I never had a way with you
But I still hear you saying
Take me to the top
Take me to the top

Take me to the top
To the top and throw me off

Take me to the top
